

Using your iPad/Tablet Safely in the cockpit

The development of the electronic flight bag has become a very powerful tool in the cockpit. We will cover how to use it to increase safety and situational awareness.

Directions: If you are driving in, as you enter the airport take the first right then the next left turn into our parking lot. If you are flying in, SimplyFLY is on the SW corner of the East ramp at Aurora Airport in Sugar Grove.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
